WHO'S USING TRAFFIC CONES?

In FY99, the eight states on this cooperative contract purchased nearly 90,000 recycled traffic cones for a total of more than \$516,000.

Mass Highway Department

Ken Urato, 508-541-3346

"We see no difference in the traffic cones with recycled plastic... We purchased 2500 cones in FY99 and they work very well."

Metropolitan District Commission

Martha Gallagher, Purchasing, 617-727-7663
MDC has been purchasing from this contract for a number of years. In FY99 they purchased 400 stenciled and 200 plain cones.

City of Boston, Terry Farmer, 617-635-4959

"We recently purchased the recycled cones through OSD's pilot purchase program to use at our paint drop-off centers and they are working very well."
